District Attorney Robert Stuart Albright  
18th Prosecutorial District  
High Point Office  
PO Box 2434  
High Point, NC 27261

Dear Mr. Albright:

I am an attorney representing Jeff Ward in a legal action against the International Union, United Automobile and Agricultural Implement Workers of America, AFL-CIO ("UAW"), regarding that union's unlawful activities at the Thomas Built Bus facility in High Point, NC. Mr. Ward works at the Thomas Built facility in High Point, and resides in Thomasville, NC.

On March 4, 2005, Mr. Ward reported to the Thomasville and High Point police departments that a map was being circulated at his place of employment that lists his home address, his home phone number, and states: "Jeff Ward lives here. Go tell him how you really feel about the union. He is taking away YOUR right to vote for or against the union." A copy of this map is attached hereto.

This map constitutes a threat. It is an inducement for individuals to harass or do violence to Mr. Ward's person, family, and/or property, based on his legitimate legal cause of action against the UAW.

I urge that a thorough investigation be conducted as to the origin of this unlawful threat, and that the perpetrators of this action be prosecuted to the fullest extent of the law. While such threats may be common intimidation tactics in other parts of the country, they should not be tolerated in North Carolina.

Thank you for your consideration of this important matter.

Sincerely,

William L. Messenger
