Dear Sirs:

I am not a member of the UAW and its affiliated unions. If your records show me to be a member, I resign that membership, effective immediately.

Since there is a contractual hiatus between the union and St. Vincent, and there is no longer a contract containing a compulsory dues provision, I hereby revoke any dues checkoff authorization I may have signed, effective immediately. You are no longer authorized to take any union dues from my salary. See NLRB General Counsel Memorandum 19-04, which recognizes my right to immediately revoke any dues checkoff authorization I may have signed.

Please notify me immediately if you believe this resignation or dues checkoff revocation is inadequate or untimely in any way, please explain in writing your rationale for that belief, and please attach a copy of any dues checkoff or memberships cards I may have signed.

Sincerely,
